

A large audience is seated in a theater, facing a stage. The audience is diverse in age and appearance. The theater has a curved, tiered seating arrangement. The stage is dark, and a speaker is visible on the right side. The text "Ensuring the bottom line" is overlaid on the right side of the image. Several green dollar sign icons with arrows pointing up and to the right are overlaid on the audience seating area, indicating a focus on financial performance.

Ensuring the bottom line
